

ACT OF APOSTASY

To whom it may concern,

I, the undersigned, _____ hereby certify that I no longer consider myself

I exercise my right to freedom of thought, conscience and religion under Article 18 of the Universal Declaration of Human Rights and ask that my choice be respected and actioned accordingly.

Additionally, I ask that the records of the Raelian Movement be updated to indicate that I have apostatised from the organisation on this date, and that I no longer recognise Claude Vorilhon as the Last Messenger of the Elohim, and that confirmation be sent in writing to document this.

I declare that I have made this decision independently after careful consideration and reflection, free from coercion, in the presence of the two undersigned witnesses.

Consequently, I make this act of Apostasy in _____ dated ____ / ____ / ____
